Did you know?

Dr. Lauren is part of the Spokane Cleft Team! Every third Wednesday, our office closes in the afternoon while Dr. Lauren attends monthly cleft meeting. She works alongside other specialists, helping local families navigate the reconstructive process. She even traveled to Palm Springs in May to attend the national ACPA (American Cleft Palate Association) meeting. We are so proud of her contributions to the cleft team and the impactful difference she is making in the community!
